LAMBORGHINI

HISTORY

Our Countach LPI800-4 was ordered and delivered new in Germany in July 2022 to its only owner, who has enjoyed it for two years and driven around 6,100km at its wheel. Finished in a stunning shade of orange over a beige leather interior, the Countach sports the following list of options:

- Rims Sian Shiny Black
- Ext. Paint Countach Color
- Carpet Color - Nero Ade
- Black Calipers
- Door Structure Match to Contrast Color
- Seat Belts - Nero Ade
- Stitching Color - Nero Ade
- Carbon Pkg 1
- Build County - Germany

The Countach is registered in Germany and the German taxes are paid. The car is fully documented including the purchase invoice and service invoices, as well as the COC. The last service was carried out by official Lamborghini Service at 5,452km in November 2023.
